Good Or God?: Why Good Without God Isn't Enough

Synopsis

These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice • good. Selfishness, arrogance, cruelty • evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

Good or God? Best-selling author, John Bevere, has done an incredible job at both issuing a warning to all (believers and non-believers), about the challenges we will face in the last days....and also an encouragement to all believers to hang in there, and to run the race until the end. What struck me deeply was the fact that John mentioned that we have a democratic mindset - almost worlds apart from God's autocratic Kingdom. We think differently because of this, and easily manipulate and reason as to why we do what we do, justifying our deeds and actions. However, the Bible is a Holy Book, a book full of warnings, full of encouragement, and off course, 100% truthful. If we were to follow this Book in its entirety, we would know the Truth, and the Truth - as the scriptures says - shall set us free. In so many ways, we do not notice that 'the' Antichrist - is in actual fact ANTI - Christ. We all know what 'social' means, and off course what 'anti-social' means, but have we ever thought about what ANTI-CHRIST means? It means that we are not living holy lives, that we are not

projecting Christ-like character and that we are not living lives pleasing God. Even if we are in church, the deception of good can be there!! Satan's very first deception started in the Garden of Eden with indicating to Eve, that God was withholding something good from her. John Bevere, has a Godly revelation about the real "evil" we will face in the last days. And that is the evil of good... We as Believers, need to stay diligent in studying God's Truth (the Word), we need to stay close to His teachings, and recognise that by being a friend of the world, we are an enemy of God. We need to realise this without the need to be practicing legalism and by adopting Christ-like characteristics.
