Howard Haskell Takes A Bride (The Brides Of Paradise Ranch Book 0)

Synopsis

This novella--prequel to The Brides of Paradise Ranch series--was originally published as part of the Love's Prelude box set. Elizabeth Ayers is done with her stuffy, city life. Engaged to a man who couldn't care less about her to further her father's business dealings, she longs for adventure and the chance to see the newly opened West. But time is running out as her wedding draws near and the walls of her constricted world close in on her. Howard Haskell is a man who knows what he wants, and from the moment he sees Elizabeth across a Cincinnati ballroom, he wants her. The rules of society are meant to be broken, as far as he's concerned, and regardless of disapproval on all sides, he sets out to win Elizabeth and make her his in a matter of days. Fans of The Brides of Paradise Ranch and Hot on the Trail know just how much Howard enjoys a good competition. Using a contest to win his wife is no exception. Only, Howard is the ultimate rule-breaker. PLEASE BE ADVISED: Steam Level - HOT

Customer Reviews

Elizabeth is bored and is facing a loveless marriage when Howard blows into her life and turns it upside down. This is a fast read. And I found Howard to be a bit over-the-top and a rascal to boot,

but I positively loved him. Elizabeth was a perfect match for him, though at first it seems like she's not able to keep up with his shenanigans. Ms. Farmer gave me such giggle fits during this story. The antics of Howard just barely hint at the man in her Paradise Ranch Series. I'm really glad she wrote this. Lucy makes so much more sense now.

Finally a story about Howard and Elizabeth. I've been waiting and can truly say not disappointed. The first books in the series have just given hints to those two, so it's a good thing to get a look into how they came to be so devoted to each other and the sense of adventure that took them across the west.

I loved this first look at the Howard we all love in the Brides of Paradise Ranch series. I laughed out loud at some scenes and fell more in love with Howard and Elizabeth's characters knowing how they started their lives together. Wonderful read.

This is another example of how good of an author Merry Farmer is. From the first, Howard Haskell lets all and sundry know that he is going to marry his Elizabeth. The plan he uses is highly frowned upon, but with the dear Elizabeth's assistance (?), all's well that ends well. In movie ratings, this would probably be PG-13, at least. But it is a funny and good read.

I love reading about Howard Haskell and all the adventures around him! I've read the Hot on the Trail books as well as Paradise Ranch. I'm impatiently waiting for the book with Honoria. These are wonderful stories and I can read them quickly, which is nice but also means I finish them too quickly ^ . Thank you for the joy of these journeys! Keep writing & I'll keep reading! ^^

I came upon this book just by taking a chance on a different author. But I am so not displeased by this book. You will at first be taken aback by the brazing in your face love story, and laugh at the High Jinks that happen along with the story all the while. Will be reading the next installment. This book has really grabbed me and realed me in.
