Synopsis

Clean and Wholesome American mail order bride historical western novel romance. Summertime 1884, Nebraska. This historically inspired Western romance much-loved series is about empowered women who turn around their hopeless circumstances in this mid-19th-century tale of the old West, with strong faith and discover genuine men and true love. Meet Elizabeth Holland, she met a boy, they fell deeply in love and planned a beautiful, but a small wedding. Henry and Elizabeth were going to open a bakery and raise a family in Boston—however, fate—had changed its course. Her fiancé died in January, just days after the New Year had started and she was left all alone with shattered dreams and a severely wounded heart. She felt hopeless after her loss, and the only way she can think about is to escape the pain. So when she saw the advertisement from Hyperion catalogue, she immediately registered herself and corresponded with a farmer from Oak Flats. She was her parents' beloved daughter, and she loved her parents just as the same, however, despite their resistance, Elizabeth did pursue her plans to becoming a mail order bride. She can no longer stay in Boston anymore, and she won't be coming back. Afraid of getting her heart broken again, she wanted a marriage arrangement that was more businesslike than sentimental. Will Birdie get her wish and end up being a wife of a serious and a bit of a difficult husband? Birdie got stranded in a small town of Cloverton, what is in store for her there? She watched in horror as Rand slipped and fell backward into the creek, his head hitting the rock. Birdie already lost Margaret and Henry, will she lose him too? Come on now and join Birdie as she travels all the way from Boston to Oak Flats. You'll get to meet the friendly town folks like Mollie Campbell, a woman she met on the train with an exuberant personality, Maria who can cook a superb meal and Randall Shepherd, the kind man who assisted her during her stay in Cloverton. And don't forget her impatient husband-to-be Del Stubblefield, a farmer who couldn't wait!... a story of hope, fear, romance, suspense and true love. •... Elizabeth Holland was to marry Henry and they were to open a bakery but he died. She wanted to leave Boston after that so she decided to answer an ad to go out west to become the bride of Del Stubblefield. The weather altered her destiny and she spent time in a small town and made friends with a lot of people. Patrick and Maria owned the hotel and she helped them in exchange for the room and food Jose was Maria's brother. The town of Overton became interesting and was a desirable place to live with the company of a Mr. Randall Shepherd. With no communication going out from her to Del as you know things have got to change.

Elizabeth was to marry and they were to open a bakery, when he slipped on ice and hit his head and died. Elizabeth was so upset that she wanted to live any where but Boston. Seeing a newsprint ad from Oak Flats, New Nebraska she answered it. After letters were exchanged, she took a train as far as she could, to met the stage coach, only to find delays because of storms and flooding. This a mail order bride story, one of the best I have read.

This was entertaining to read and enjoy historical western romance kindle book from at a special price. A special young lady answered an advertisement for a Bride and was traveling to meet the Groom when she had to stop due to the rain that made traveling impossible. The characters were entertaining as they got to know and love the young lady who had been stranded, getting to know the people had her falling for a delightful young man who lived in the town. A must read book by an amazing author who keeps me entertained throughout the entire book before putting it down.
