The Pendragon's Champions (The Last Pendragon Saga Book 5)

Synopsis

The fickle god Mabon, loose again in the human world, searches for the Thirteen Treasures of Britain. With each one he collects, his power grows. Knowing that time grows short, Cade sends out his champions to draw lords from throughout the land together for a final stand against Mabon--before it is too late. The Pendragon's Champions is the fifth novella in The Last Pendragon Saga. (The first six novellas in The Last Pendragon Saga were originally published as two volumes: The Last Pendragon and The Pendragon's Quest.)

Customer Reviews

The Pendragon's Champions, unlike the previous four novellas in the series, focuses on four of Cade's friends - Dafydd, Hywel, Bedwyr and Goronwy and their mission to bring the other Welsh Kings to the banner of King Cadwaladr ap Cadwallon (Cade) as he prepares to meet the Saxons at Shrewsbury. Each meets adventure along the way and Mabon puts in some unexpected appearances in his search for some important magical artifacts. As usual, Sarah has written an engrossing read that I find very difficult to put down - I love the setting in ancient Wales, the

inclusion of Welsh myth and magical artifacts, and of course I love the story and characters. Her books are full of such vibrant characters that leap from the pages and I enjoy been carried away to this long ago time that marries myth/legend and with the historical. I recommend this exciting book and series - it is truly an entertaining and exciting story.

read the series twice, that good

I loved the writing style and the characters were so believable. I swear I read all 5 books in 2 days.
