## Customer Reviews

Title: Awakened by the Vampire Prince Bundle Series: The Chosen Designation: Book Four of Series and Complete Compilation of Three Book Sub-Series, Standalone, NO Cliffhanger Author: Charlene Hartnady My Rating: FIVE DELICIOUSLY CUTE STARS\*\*\*\*\* Good Golly Miss Molly! Charlene has totally rocked it again with Awakened by the Vampire Prince. I absolutely loved it! This story was originally released in three separate installments, Rosebud, Flower and Thorn but this convenient collection is the complete compilation of all three. Although this story can be read as a standalone, I would also highly recommend reading Charlene's Chosen by the Vampire Kings, Stolen by the Alpha Wolf and Unlikely Mates Series since many of the characters in this book are also included in each of the aforementioned stories. I think that's one of the things that I truly enjoy most about Charlene's books. The premise and the characters for each book are very well developed and carried forward throughout each series. The familiarity of the characters makes it so easy and enjoyable, enabling the reader to fall comfortably into each story. Her characters are always my favorite part of each of her series. They are always captivating, engaging, laugh out loud funny and sexy. Va..Va..Voom! Of course, the story is always exciting, thrilling, funny, exceptionally well written, romantic, arousing and oh so seductive. Charlene skillfully combines these elements to craft a delightfully entertaining paranormal offering filled with humor, adventure, suspense and lots of romance. Prince Xavier and Princess Esral have been dancing around each other for months. The problem is, they've been dancing to different tunes. Fortunately for us, I think their playlists are about to be synced! Yowza!
