EXTREME DECISIONS A SECRET THAT SHOULD NEVER HAVE BEEN REVEALED A dark reality lies hidden under our very eyes. Since their creation, the MÃ sala have enforced the destiny of humankind on Earth through the Subterraneans, Angels condemned to carry the weight of death on their shoulders in order to please fate. Evan, a Subterranean, has denied his own nature in order to protect Gemma, the girl he was sent to kill and with whom he has fallen hopelessly in love. But what are the consequences of cheating Death? Five months have gone by since her last encounter with Death, and in spite of having experienced the most intense period of happiness in her life at Evan's side, Gemma's instinct reminds her that the game is far from over. Evan, overconfident, lets his guard down, revealing an unmentionable secret--an error that can be paid for only with blood. Death returns to claim Gemma, sending its faithful servants to kill her. Desperate, Evan will do anything to save her, but the menace will seek them out even where they feel safest. . . . The challenge between passion and death will pit the protagonists against each other. In the face of jealousy, betrayal, and emotional devastation, Evan and Gemma find it isn't easy to escape their fate. Fans of Veronica Roth, Stephenie Meyer, Cassandra Clare, and Lauren Kate will love this series by Elisa S. Amore. Scroll up & click the buy button now to find out...

Customer Reviews

The story totally got under my skin and I had to finish it as quickly as possible just to find out what was going to happen to Evan and Gemma. In *Unfaithful* we find all the characters from *Touched*, but the love between Evan and Gemma has deepened tremendously. If *Touched* was about how they discovered each other and began to feel attracted to each other, this book shows the evolution of their relationship. *Unfaithful* is more dynamic than *Touched* and there are plot twists around every corner. The story is so compelling I couldn't avoid becoming captivated. I experienced so many emotions it was difficult to contain them. In this book, Evan and Gemma are still on the run, trying to keep their lives and their love for as long as possible. Gemma is safe in the arms of her beloved Evan who doesn't leave her alone for a moment and is willing to do anything to protect her. Thanks to Simon, Ginevra, and Drake, who watch over her while Evan's away on his missions, Gemma has the best protection anyone could have. One thing that's really great about *Unfaithful* is that you learn much more about Evan's past and also more about the backgrounds of his brothers and Ginevra. Evan wants to be totally open with Gemma since he's madly in love with her and doesn't want to hide anything from her. So in this way, we get to learn how he became a Death Angel and what lies behind his mysterious personality. One of the most beautiful parts of this

book is when he shows his world to Gemma. It's so fascinating! Unfortunately, he takes a great risk in showing her his world, and he will have to pay the consequences. By making that decision, he puts Gemma in the spotlight again, which means she's in danger once more. The MÃ sala find her, and this time they're not going to let her escape.
