Learn To Interpret Handwriting: The Key To Understanding Your Friends And Enemies

Synopsis

Now recognised as a reliable working tool that can offer valuable insights into personality and potential, understanding the language of graphology - being able to read the style of handwriting as well as its content - has a massive following. It can be used in self-analysis and development; to shed light on the characteristics of family, friends and colleagues; or to establish the likelihood of a successful relationship. This practical, well-organised and insightful guide from one of the foremost exponents on handwriting analysis gives readers the means to use this valuable technique to improve their lives and their relationships.

Customer Reviews

After beginning to read this I had to put self in "time out" for I realized some of the traits I actually had. Praise God, there is a way to change one's writing.
