Whitewater Chile

Synopsis

If you've ever dreamed of paddling in Chile, you've found the book that can make your dream as real as it gets. Includes a blow-by-blow account of each river, with precise directions, detailed descriptions, difficulty ratings, water levels, useful contacts and points of interest. Whitewater Chile also features valuable historical, traveling and safety information and includes enough fantastic full color photography to excite the most obsessed whitewater paddler. Whether you're planning a trip to Chile or just dreaming of one day doing so, Whitewater Chile is an absolute must-have guidebook. Includes detailed descriptions of more than 60 rivers recently paddled by the team of authors. GPS coordinates and careful directions to the put-in and take-out. Details about camping areas, lodges and restaurants. Valuable information about traveling in Chile, and much more...
