# Christ For Unitarian Universalists: A New Dialogue With Traditional Christianity

## Synopsis

Christ for Unitarian Universalists is an engaging and thoughtful inquiry into Christianity for Unitarian Universalists and other spiritual seekers—including skeptics, non-religious people, liberal Christians, and those who consider themselves “spiritual but not religious.” The book has several purposes. The first is to present Christ in an understandable and compelling way to the increasing number of people who do not consider themselves Christian. The second is to present liberal and progressive Christians with the non-dogmatic way that Unitarian Universalists have viewed Christ through the Bible and personal experience. And the third is to promote active dialogue between non-Christians and the nearly 80% of Americans who identify themselves as Christian. Christ for Unitarian Universalists addresses frank questions with integrity and intellectual honesty yet also presents a sincere and genuine sense of love as embodied in Jesus that is so heartfelt, so unconditional, and so revolutionary that it will take your breath away.

## Book Information

Paperback: 296 pages

Publisher: Skinner House Books (May 1, 2016)

## Customer Reviews

I found the book to be both informative, as well as inspiring. Rev. McLennan has a firm grasp of the history of Unitarian-Universalists, and let's the voice of many describe and teach. He offers a voice of hope and reconciliation in a world where religion has often been the cause, and remains a source of conflict and violence. McLellan offers a voice for hope, where each religious practice can acknowledge the other--by seeing similarities in ideals and practice. The book offers a voice of both faith and reason. He doesn't shy away from his own belief system, and shows that Unitarian

Universalists are both diverse in their beliefs, and accepting of diversity and difference. In the end, one hopes that his voice and vision will be heard and add to the hope that the best that each has to offer will be acknowledged and add to the healing that all hope for.

Excellent discussion of the issues dividing traditional Christian belief from Unitarian Universalist ideas

a must read

Loved this book, very warm, kind and insightful.
