## Synopsis

Read the first three books in the medieval time travel romance series: A Knight to Remember, Knight Moves, Lonely is the Knight, in this special offering.

**Book 1: A Knight to Remember** Fall through time... Vacation to England. Check. Haunting castle ruins. Check. Proper English lord for a boyfriend. Well, almost check. Be careful what you wish for! Lucy Merriweather's supposedly perfect boyfriend attempted to murder her during a visit to Blackford Castle. Falling through time to 1300s medieval England, she lands in a tangled heap at the feet of a tarnished grumpy knight with secrets of his own and no time to spare for a crazy damsel in distress.

**Book 2: Knight Moves** Lose yourself in time! A missing sister and totally fishy story. Check. A haunting castle in England. Check. Finding out news that rocks your world. Check. And double check. Be careful when you go searching for answers! Melinda Merriweather's sister vanished on a trip to England. When someone tries to kill Melinda Merriweather, she knows there's more to the story of her missing sister. Determined to find out what happened, Melinda lands in England, only to get more than she bargained for. A picture she can't explain. A wrong turn leading to Falconburgh Castle and a whopper of a storm. Falling through time to 1300s medieval England, she finds herself staring at the pointy end of a wicked-looking sword. A weary knight swoops in and rescues Melinda, only to find out she's no swooning damsel in distress. Now Melinda's greatest fear is falling in love and never finding out what happened to her sister.

**Book 3: Lonely is the Knight** Travel through time... Both sisters lost to the mists of time. Check. Attempted murder. Check. Actually traveling through time to medieval England? Triple check. Beware ghosts trying to help! Charlotte Merriweather didn't plan to steal the gorgeous low-slung sports car. But in her defense it was just sitting there running, with the door open, beckoning her. A terrible accident sends her traveling through time to 1330 England. Surely the handsome knight of the castle will aid her in the search to find her missing sisters? Henry Thornton has sworn never to marry. Even if he is enchanted by the odd woman he finds washed up on the shore. He'll aid her and send the lady on her way. Or not. As the castle falls under siege trapping Charlotte and Henry within the stone walls, will they risk everything for a chance at a love meant to last forever? The series picks up with the Thornton Brothers in Darkest Knight with four books in that series and more to come!

## Customer Reviews

Title: Merriweather Sisters Time Travel Romance Box Set Series: Merriweather Sisters Time Travel

Romance Series Designation: Books 1 thru 3, Standalone, NO cliffhanger but Epilogue of third book

sets up first book of new series, Thornton Brothers Time Travel Romance Author: Cynthia

Luhrs Reading Platform: Kindle Edition My Rating: Five Delightfully Entertaining Stars\*\*\*\*\*Wow! I'm

totally smitten with Cynthia Luhrs and the Merriweather Sisters Time Travel Series! Several days

ago I happened upon a free download from for a time travel romance entitled A Knight to

Remember. Well, that got my attention. I adore time travel, completely smitten with medieval English

knights, totally enamored with any genre that contains romance and always a sucker for a free read.

Admittedly, I'd never heard of Cynthia Luhrs but at the time, it had 56 reviews with the majority of

them being positive. I even read the free sample which never includes much but does give me a

general feel for the author's overall style and flow. I can generally glean sufficient information from

the first few pages, allowing me to make an informed decision about the book. Obviously, I was duly

impressed and decided to give Cynthia Luhrs an opportunity to entertain me for a few hours. And

that she did! I totally loved it and was absolutely overjoyed to learn that there were two more books

already available in the Merriweather Sisters Time Travel Series so I raced back to to check them

out. And blessed be, I couldn't believe my good fortune when I discovered I could purchase the entire series in one convenient collection. Well, I quickly one-clicked and began a most wonderful weekend on an adventure with the remaining two Merriweather sisters. And best decision - EVER!
