Customer Reviews

Krissy wants to stay where her heart belongs but she feels like a failure. When she decides to finally know what she wants she sneaks up on him and gets the surprise of her life. What she does and how she handled it surprised me by far. Need to read. Wish there was more....

This is the third book in the series and I found that I could not put this book down and was sad when this series didn't continue on. I would love to read more about the people in this series. I recommend this book.

Overall the books were great. Story was engaging and hot. Loved the characters in the story and

grew to love the ending.

Good Series. No complaints on plot or writing. I can't help but love happy endings. Same review for all 3 in series.

Great book, I liked the story line and I like happy endings. It is worth the read, and I recommend it.

Loved it!!!! What a great read!! Just a feel good book about love & romance and a hot cowboy! Love it

I enjoyed the three books and if they weren't free I would have been disappointed in the continuation type format. I loved the hero and heroine and their characterizations.
