# Fallen Fourth Down (Fallen Crest Series, Book 4)

## Synopsis

My mother tried to destroy me. She doesn't exist to me anymore and my father, the one who raised me and the biological one, are both works in progress. The only two people that I can trust are Mason and Logan, and they're the two people who I could lose. It won't happen. I won't let it. No matter the truth, no matter who loves me, I won't let anything or anyone come between us. They're my world. They're my life. They're my family.

## Customer Reviews

So many emotions went through me as I read this! Good, bad, sad, nervous and uncertainty! So much happens in this book! We watch as some relationships grow closer, get intenser and some that shatter and break beyond repair. In the end I just freaking LOVED this book! Marissa, let's just say she's not what one would think. True, I don't like her, but it's because of how she always seemed to have something else going on. We got her story in MASON and that is when I grew to dislike her. It was just that something was off with her! True, she didn't deserve what happened to her in FFD but she was starting to remind me of either a stalker or suicidal or a mix between both! Nate, I was starting to grow more leery of him in FCP. He just seemed to withdraw more in the last book and it became painfully obvious in this one! He not only pushed in till he was completely alone, but he got

sucked in. I was able to see how much he yearned to be accepted outside of the whole Fearsome Foursome and in the end it cost him! Logan, I fell for him even more in this one we were able to get to know the real Logan. He's closer to Mason than I first believed him to be and from that relationship being absent for months he grows closer to Sam only she pulls away! He ended up feeling more alone than ever before but he was also showing more of his true self throughout the book too! Mason, he dealt with a lot! For the first time ever he's dealing with the fact that he isn't there 24/7 and that other guys are there 24/7 around Sam. Out of their relationship I never thought I'd see him doubt it but he does. In that we see how vulnerable he is but we also see how much he depends on Sam. Sam, she grows a lot in this book!
