I purchased this book for my father, who is an avid bowler. He just loves it. He has taken it with him to various PBA events and had bowling celebrities autograph the pages where they were mentioned. He and they get quite a kick out of it.

If you are a bowler or know a bowling enthusiast, this book is a must have. The book is filled with facts about when and how bowling began to the modern day game and everything in between. There is not only trivia but some short quizzes to test your bowling knowledge. The book is fun and was written with a sense of humor. I enjoyed it and recommend it!

Gave to a friend for Christmas! He is an avid bowler and really enjoyed the book! Great idea for the bowler enthusiast!
