A Brief Introduction To Sikhism

Synopsis

Clear and concise introduction to the fifth largest religion in the world organized as a comprehensive set of frequently asked questions. An introduction to Sikhism presents an outline of the belief of Sikhism that is suitable both for beginners and non-beginners. Sikhism is a way of life or self-discipline coupled with a belief in the unity of God, equality of human beings, faith in the Guru's word and love for everybody. The stepping-stone for a Sikh is to accept the existence of God and worship Him and Him alone with his tongue, his mind and his actions. Gradually he reaches a stage where as the Guru says "Water mingles with water and the light merges with light, discarding their separate existences.
