Bound & SEAL'D: A Bad Boy Navy SEAL Romance

Synopsis

Ripped SEAL. Filthy mouth. Big | gun. What else does a woman need? Colt I've been shot at by armed Militias. I've taken over fallen cities. I've protected the country I love and I've lost more friends than I can count. In a nutshell: I've seen it all. So you think some journalist can use me for my war stories? Hell no. But when she bends over at the bar, I can't help but stare at that lush, hour glass frame. One taste is all I need and I'll do anything for it. If it's a story she wants, a story is what she'll get. After all, she said she'd do anything for this. Lena I'm not an idiot. Men like Colt Sterling are bad news, even if he is a Navy SEAL war hero. Tall, brooding, and waiting for the world to burn, this guy is bad. His ripped body and cocky attitude tell me to stay away. But as a journalist, I need my story. One story for one night. That's the deal. But now he's not letting go. And I'm begging for more. **Bound and SEAL is a standalone bad boy romance novel with a HEA and absolutely NO CLIFFHANGERS!**

Customer Reviews

I'm not talking about the fact that there are actually two books included in this title, but the fact that the heroine Lena appears to occupy two different realities. In one, she's a serious, concerned sister

and in the other she's a shrill, bipolar witch. Seriously, read this one with a neck brace because her mood swings will give you whiplash. It's a restful paragraph when she isn't screaming or laughing.

This book is HOT! Loved, loved, loved it!! • Great characters, strong story, and a really terrific ending. The epilogue is an awesome touch to see how Lena and Colt are doing. Be sure to have tissues handy--you'll laugh, you'll cry, you'll almost pee your panties at some of the antics in this book. You absolutely have to read this book. (I received a free copy of this book in exchange for an honest review.)

Bound & Seal'd by Kara Hart....Another great book by Kara Hart, every book I read keeps getting better. I love Colt he is the perfect book boyfriend, hot, sweet and a bad boy. I had a hard time with Lena she was kind of me and rude, but she was beautiful and strong and these two were good together. Their personalities fit well together, so it made a good story. I was given a complimentary book for an honest review.

I liked this story, but I thought Lena was a witch! She needs an attitude adjustment and was a bit too witchy (with a b) for me. I did like the story and I liked the story line - very hot and a good read. The writing was good and I liked the flow of the story and I loved Colt.

This book was a fun and enjoyable read. had great adventure and action. Loved reading about Colt he was a Navy Seal who has been to war and back. Lena was a reporter when these two met it was hot and sexy. The story was another knock out by Kara Hart and the characters were all great but I really loved Colt though he was a sexy Navy Seal. This was given to me for a honest review.

Colt and Lena meet at a time when they both could use new friends and a shoulder to lean on and although Lena is scared to get truly involved in a relationship Colt is patient and perfect in every way no matter what obstacles come at them they find their way through and grow closer than ever. This is an awe inspiring book of love and commitment you will not regret reading!

Wow, engaging, raw, steamy hot sexual chemistry, and non-stop action are just a few words to describe this amazing read! Absolutely loved the characters and the emotional struggles they endured to be together! A very real and relatable story line that reads like a mini tv series. A very excellent and must read and will be sharing with my reading circle!

Thus book was an okay read .. I liked the characters. The story line seemed to be chopped though. You couldn't tell if the characters had been together for days or months. Sometimes the story line seemed to just fall off.
