Alien Abduction Romance: Saved By Sweet Alien (Uoria Mates Book 2): A Sci-fi Alien Invasion Abduction Romance (Uoria Mates Series)

Synopsis

After an attack by the Klimnu, Eden's knocking on death's door. Pyra rushes her to the Denynso healer, and it turns out he has to do more than heal her. He has to bring her back to life. It's the first in Denynso history, and no one knows what to expect or how things will go for Eden. A side effect of the healer's gift is a link bonding them together forever. Pyra is struggling to deal with his mate's attachment to Ciyrs and doesn't know what to do. The more he fights it the more the wall between him and Eden grows. If he isn't careful he'll lose her, and all she wants is for him to trust in her. Later they find that wasn't the only side effect. Now Eden is changing in more than one way. No one really knows what's going on, and as her and Pyra's bond grows so does changes in her characteristics. When she continually has seizures Ciyrs does everything he can to figure out what's going on. He's got to save her or Pyra will have his head and a part of him would die too if she did. Will they figure out what's going on with Eden before she doesn't wake up again, and will Pyra get over his insecurities with his mate and fellow brother's bond before she shuts him out for good? This book contains mature themes and language, only suitable for ages 18+!

Customer Reviews

This felt like not just a good sequel, but a great part 2 for this series. Pyra is a warrior with a good heart, and while this story ends with the potential for me, there is no cliffhanger this time.

Was a fun read and look forward to additions to the series.

I was really getting into this story, but the problem is the price. Do you realize that you are going to have \$22.00 into this when you get to the end of this series. And it's only 500 pages total. Paying 2.99 for 1 book is unacceptable when it might only have 44 pages. I think the longest one is like around 56 pages. I am done with this one. Doesn't matter that it's a decent book, price is way out of line.

Too short but good. I'm liking the world she is building and it's unpredictable and that is great. Love not know where it's going.

Very good, this is my first time reading Ruth Scott. Glad the second book was available. Love anything with aliens!

This book is a very good read. It contained all of the elements I enjoy in a story; it was imaginative, had a rounded continuity, and the characters were expressive. I wish the scenes were a little more developed.

The second book in this series I liked it very much. A continuation of the first story and introduction to new characters. Can't wait to read the third.

The series is good but each book is way too short. They really need to be longer. Feels more like a chapter than a book.
