Powers Of The Six (Emissary Of Light Book 1)

Synopsis

Six rare powers govern the land of Adamah. Possessing one demands entrance to the king's army. To refuse means death. For hundreds of years, dark clouds covered the skies of Adamah, and an ageless king ruled. Those who emerged with one of six extraordinary Shay powers were forced into the king's army, an unmatched force with inhuman Strength, Speed, Accuracy, Perception, Empathy, and Healing. With the army behind him, the king "a man who wields all six abilities" was invincible and unquestioned in his rule. To most, serving the king was an honor. But for others, it was a fate worse than death. When seventeen-year-old Nolan Trividar witnesses the transformation of his brother from kind to cruel after entering the king's army, he vows never to follow the same path. **POWERS OF THE SIX** take you to another world where the smallest person can do extraordinary things, the undead infest the night, and the sun emits more than just warmth and light.

Customer Reviews

This book is told with two main point of view characters. We first met Nolan who is a scribe and desperately trying to keep his Shay a secret. We also met Alec who is a head strong youth who wants to raise against the government. There are six powers that rule Adamah which give people inhuman abilities. They are Strength, Accuracy, Healing, Empathy, Perception, and Speed. The king governs the land and he is a foul and vile king. It is absolutely awful. There are a few who stand up against but most fear him. Nolan and Alec met and go on an epic adventure together where a friendship is formed and legends are made. This book started off to a slow start. It wasn't a bad slow but fairly interesting slow start. It was a slow build to a fast paced ending. The main characters were developed and I understood them. I felt like I was getting to know my new friends. It was fun and exciting and I didn't want to let them go. Alec was my favorite because he was just honest about everything. He didn't care what came out of his mouth it would just flow like word vomit. He made me feel the most emotion. I laughed and got angry with him. It was a fantastic book relationship that I look forward to returning to. The plot was easy to understand and flowed nicely. I could easily imagine Adamah and all the characters that came around. It was so interesting that I found myself daydreaming about living in Adamah and what my Shay would be. I think my Shay would be Empathy but it is only because I love purple so much. There is a lot that happened through book one and it felt like several books which left me feeling satisfied. The villians are spectacular. The King is absolutely the most hated villain I have ever encountered.
