# Attack On Titan: Lost Girls

## Synopsis

LOST GIRLS tells of the times and spaces in between the plot points, through the eyes and ears of the saga's toughest—but more taciturn—heroines. What they thought, and felt, and did on and off stage come to the fore via a medium distinctly suited to conveying interiority: language. The two novella-length offerings were originally included as bonus features in the initial Japanese Blu-ray releases, while the introduction and the titular story are unique to the book. A manga rendering of this official spinoff is slated to appear stateside from Kodansha Comics. The writer of many of the episodes of the smash hit animated series *Attack on Titan*, Hiroshi Seko has served as the scenarist for the small-screen adaptations of other popular franchises such as *Seraph of the End* and *Ajin: Demi-Human*.

## Book Information

Series: *Attack on Titan*.

Paperback: 240 pages

Publisher: Vertical (June 28, 2016)

Language: English

ISBN-10: 1942993358

ISBN-13: 978-1942993353

Product Dimensions: 5.5 x 0.6 x 7.6 inches

## Customer Reviews

This isn't the manga but is however a light novel with very few illustrations. There are three parts to the book and are relatively based on the anime than the original manga; The first revolves around Mikasa and takes place around episode 7 of the anime. The last two revolve around Annie and take place around episode 16 and episode 25. The stories are quite long, 2-3 hours of reading per arc, but are totally worth it.

A great insight of Annie's Character. If you love Annie Leonhardt, this novel will make you cry and

love her more.

Love this series and I can't say anything bad. This is n't the graphic novel BAM.

Love it so much! Thank you!!!

This is not the manga. I bought this thinking it was the manga but instead it's a novel with maybe 3-5 pictures in the entire book. Just warning buyers in advance
