Kayla, (Sweet Western Historical Romance) (Nevada Brides Series Book 3)

Synopsis

Kayla Jameson's life had all been planned out by her sisters "go to college, acquire a suitable position" but cared nothing about what she really wanted, a husband and family. Kayla rolled into Silver, Nevada, along with her sisters Abigail and Penelope. Their other sisters McKenna and Cadence had already married and moved to Nevada, and they finally were able to join them. In 1875, Nevada was more populated with men than women. When Kayla has an unlikely encounter with a handsome stranger, her life takes a drastic change. It was time for Kayla to stand up to her sisters and take charge of her life, even if she'd fallen for a gambler.

Customer Reviews

Another fabulous installment in the Nevada Brides Series. The other three sisters all take off to Nevada to be with their other sisters who went out earlier and got married. This was such a good book I couldn't stop reading it. It is a sweet clean story of love and sacrifice for that love a wonderful read.

Liked: Characters are nice people. Even one of the villains is. It is a stand alone. Not like: As with

other books in this series, serious happenings come and go too quickly. Event in this story similar to theirs.

Joe looked into Kayla's and she returned the look and they both felt the pull of wanting to know each other. He is a gambler and she is told to stay away from him, but she goes with her feelings, no matter what anyone says against him. Her sister Abigail is the most vocal of all and she always is with everyone of her sisters since their parents died. Another good story about these sisters. In was hoping that Joe was going to have a bigger part in this series of books. Will there be a book for Abigail and Penelope?.

It's a nice story that marries off another of the sisters. Kayla is only 18 but attracted to a gambler. The book can be read in an afternoon. It has no sensual content and can be read by anyone.

Another great book , I'm loving this series so can wait to find out about the other two sisters Abigail, and Penelope. This book had me from the start! Must read...

Short, sweet and to the end. This author has potential but should work on an actual novel and develop her skills more fully.

I love Clara Kincaid's books. I hope she continues to write series because I love following her characters.
