## Synopsis

Werewolf Nic La Croix isn't anyone's white knight, but that doesn't stop him from rescuing a curvy, human female who has no business being in a shifter bar. A smart wolf would put her in her car and make her drive away. Nic intends to do that once she's out of danger, but you know what they say about intentions...Mindy MacDougal has spent most of her life being her sister's keeper. For once, she'd like to be the irresponsible one. When a planned night out takes a deadly turn, an unlikely hero comes to her rescue. His reward, a kiss. One kiss is all it takes to draw Mindy into Nic's dark world. What happens when she finds out the monster isn't under her bed--he's in it? Other books in the series: MOONLIGHT KIN 1: A WOLF'S TALE, MOONLIGHT KIN 2: AIDAN'S MATE, MOONLIGHT KIN 4: TRISTAN.

## Customer Reviews

Nic Book #3 Moonlight Kin series by Jordan Summers I love this series and waited a really long time for this book to be released. As soon as I got the notification that it went live it was DL™ed to my Kindle. I was a little surprised there were no reviews up for this read. People you are really missing

out. You need to pick up Jordan Summers Moonlight Kin series. You won't be disappointed. Book #3 is Nic's story. In Aidan's Mate just to give you some background Nic falls hard for his Alpha's bondmate who was human. Now you notice I said Nic. So it was Nic the man that fell hard not his wolf. Nic decided to move outside the pack domain because he just couldn't handle being around his Alpha's mate Jenna. Especially since she was pregnant. In his heart of hearts he knew she wasn't his bondmate but that didn't stop the hurt. He's been mopey and grumpy and edgy and he missed being with his pack. Let's face it Nic was lonely. After work he decided to stop by "Sticks" (a local Shifter bar) for a beer. It wasn't even sunset yet and the place was crowded. It didn't help that it was going to be a full moon so all the pups were out in force. Nic almost decided to jump back in his truck and just go home, but decide what the heck one beer then he's gone. The only spot open was at the end of the bar and his friend Lucien who bartended was working that night. Lucien gave Nic a beer and started filling him in on the entertainment. Nic let him know he was just there for a beer then he'd be heading out. Yeah that didn't happen. Mindy MacDougal decided on a whim that it was time for her to do something fun and crazy for herself, since her older sister (who she kept an eye on) decided to run and get out of dodge.
