EVERY SOUL ON THE PLANET SHOULD READ THIS BOOK & EVERY BOOK WRITTEN BY R. MACKENZIE ~THAT IS HOW IMPORTANT IT IS ~PUT EVERYTHING ELSE ASIDE AND START READING ~YOU WILL NOT BE ABLE TO PUT IT DOWN ~ NOT ANY OF THEM ~YOU WILL READ IT FROM COVER TO COVER AND YOU WILL WANT TO READ IT AGAIN AND AGAIN....P.S. THANK YOU SO MUCH FOR PUTTING THESE BOOKS OUT THERE...

I am really beyond words. It is a reaffirmation of things I had felt and pondered. My higher self has been guiding me to these realizations but sometimes you need other sources. I am so blessed to have had the chance to read and receive these messages and energies. Bless you R Mackenzie for helping to bring us these messages as we step into the light. '—

This an astounding book for the advanced knowledge seeker. This book to me as I too am apart of other worlds. I was brought into this world to carry out a mission to assist with raising the vibration of humanity and teaching lessons of love, forgives, and compassion. I hope the readers enjoy such a powerful delivery of what the Galactic Council is enriching humanity with...

So interesting and exciting!! I was anxiously awaiting Robbie's 3rd book after reading his first two books numerous times. I am very pleased with this book as well!!! We all can make a difference in how we want things to be for all living things!!

This confirmed so much of my intergalactic dreams and thoughts since I was a child. I am on a God high with the help of the Galactic Council book that has been heightened by the first two books. All the synchronicity, travel, dreams, & knowing are coming to fruit by the time you get to the third book if you have done all the practices & meditations in the first two books. Robbie the author, is a pure and beautiful guide to allow such high energy to come through him without his human ego ever blocking his channels. I thank you a million fold.

This book is great! I loved the first 2 books by Robbie and the 3rd one is just as good, It exceeded my expectations. Since starting the book I have already got to know some of the Galactic Council members. They are very benevolent and sweet and genuinely care about our species.

I found this book via kindle unlimited and thought it would be interesting to read. Everything was going well until the author decided to make it a book that is bias. I seriously doubt that the advanced beings of the universe care what spiritual path anyone is on. To write 'Embrace your Christianity' biases the book. The advanced beings are greater than that as they accept all people. The book was returned without any further reading.
