Tennis Doubles Beyond Big Shots

Synopsis

Tennis Doubles Beyond Big Shots cuts to the chase with uncommon wisdom away from big shots. Whether you dream of winning Wimbledon, your tennis league championship, making your school team or simply enjoying more, Greg Moran's smart strategy will advance your tennis doubles game. How to build your dream tennis doubles team. Master the upfront and closeup game. Secrets to turning the tables on the serving team. Control the game without touching the ball. Add special tennis shots to your doubles arsenal. How to play longer and enjoy more. Plus! Access to 50 minutes of exclusive video with tennis doubles instruction featuring Luke Jensen, Grand Slam Tennis Doubles Champion, ESPN TV Analyst and other top teaching professionals. Mike & Bob Bryan, World #1 Tennis Doubles Champions say, "Mr Greg has great ideas on tennis doubles."

Customer Reviews

The book is mostly geared towards 3.0-3.5 level players or perhaps higher level players that only play singles. If you are an experienced league doubles player 3.5 and above, you won't probably get too much out of this book. Most of the teaching points are nothing new and you have either heard it before or read it before somewhere else if you are a student of the game.

Enjoyed this book a lot - easy to read. Great for levels below 4.0, especially for those of us who didn't have the privilege of playing tennis growing up. Really good read for singles players trying to understand the mentality switch between doubles and singles.

Good book for tennis doubles. Well written in an easy to understand manner. My husband is an advanced player and found this book helped improve his game. I think it would be very useful for beginner to intermediate players.

I've been trying to improve my game for the last 5 years. The harder I try, the more frustrated I get. This book was great for me. It has lots of useful ideas that help me play smarter, safer, more consistently. I'm not pressing as much, have reduced my errors, and actually hitting the ball better. Definitely the best tennis book I've bought.

This was a great for me. I played singles tennis my whole life and now needed to learn the strategy of doubles. I'm thought the book was well written and taught me a lot.
