Synopsis

Over Fifty years ago, the game of Polocrosse was created in the typically Australian spirit of horsemanship and daring. Today, this fast-paced, exciting game is one of our great international sport exports, involving the skill and dedication of people from all walks of life. Polocrosse: Australian Made, Internationally Played is the first-ever published book on the game. This Comprehensive guide covers the history, rules and practices of Polocrosse and draws on the understanding of noted identities in the Polocrosse world. I hope our account of this unique game will be both your source of reference and pleasure. I'd like to dedicate this book to the loyal of the sport.
