ISBN-10: 0394719565

ISBN-13: 978-0394719566

Product Dimensions: 10.9 x 8.3 x 0.4 inches

Shipping Weight: 12.8 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (5 customer reviews)

Best Sellers Rank: #2,320,744 in Books (See Top 100 in Books) #24 in [Books > Sports & Outdoors > Individual Sports > Juggling](#)

Customer Reviews

Stop shopping and start practicing. Hardly the epic of one's youth but the great detail and thorough going of this not so slim book got me up and juggling at sixteen (in the 1970s). I've not seen another since that did one tenth the job of this, and I have been looking. It starts from just throwing and catching to advanced skills in easy though thorough steps. It is complete and masterful and has stood up to all that have followed. You will miss much in demonstrations on U tube and elsewhere that is carefully written down and explained here. I've given away many copies to beginning jugglers and will continue to do so.

as described

Stop shopping and start practicing. Hardly the epic of one's youth but the great detail and thorough going of this not so slim book got me up and juggling at sixteen (in the 1970s). I've not seen another since that did one tenth the job of this, and I have been looking. It is complete and masterful and has stood up to all that have followed. You will miss much in demonstrations on U tube and elsewhere that is carefully put down and explained here. I've given away many copies to beginning jugglers and will continue to do so.

I first read this book a long time ago, in the 80s sometime, and by going through it methodically gained a lifetime of enjoyment from this most invigorating pastime, which is good for the mind and body. A practical consequence of juggling frequently is that you get juggler's reflexes, and you tend to catch things that are falling by accident, sometimes grabbing a falling knife by the wrong end, but often wowing bystanders as you catch, juggle, and save a falling crystal vase or something someone dropped or knocked off a shelf...

I first read this book about 20 years ago. It is the best and most complete work on ball juggling (with chapters on rings and clubs) around. It is very slow and thorough and well worth the effort to get through. I have been juggling for more than 20 years and I still refer to my copy from time to time
